◆ "VOCOPHONES OR THE COMIC ORCHESTRA." ◆

Young and old can play any tune on the Funny Vocophone with ease, by simply singing into the Instrument. They are capable, under expert manipulation, of producing most fascinating music, and are a never-ending source of amusement. They range in size from 1 to 3 feet long. Used in a Burlesque Act by Concert Troupes, etc., they will be found a big card. For Masquerades, Serenades, Weddings or Surprise Parties, Pic-nics, Excursions by water or land they are specially suitable. Their great novelty combined with the effective music produced, will create an immense sensation wherever they are seen and heard. An excellent accompaniment also for the Piano, etc., they will be welcomed everywhere.

OUR LATEST VOCOPHONE.

The above cut represents our latest feature in the way of Vocophones and will make a great improvement in Vocophone Bands as well as create a great deal of merriment. There having been such a demand from the trade for the above horn that we have at last concluded to purchase some very expensive machinery for their manufacture, feeling assured from the many inquiries we have had that they will have a great sale and that we will be amply protected in our outlay. They are made in three sizes as per below description:

- No. 95, Helicon, per dozen \$50.00.
Diameter of ring 24 inches. Packing single piece 50 cents extra for box.
- No. 96, Hunting Horn, per dozen \$15.00.
Diameter of ring 12 inches.
- No. 97, Hunting Horn, per dozen \$ 7.80.
Diameter 7½ inches.

On orders for single pieces of No. 96 and 97, 10 cents extra will be charged for packing. On orders for four different pieces to make up a band there will be no extra charge for packing.

IN ORDERING GOODS ALWAYS GIVE NUMBER AND STYLE.

THE WONDERFUL MUSICAL CANES.

Patented September 27, 1887, in the United States and Europe.

The above cut illustrates our Musical Cane, which is both useful and full of music, and can be used to serenade a friend or to have plenty of fun with it while at a picnic or party.

They are made in two styles, No. 250, plain, with an ornamented wooden head finished in black ebony, with a handsome name plate on side, and the other, No. 251, with an elegant silver-plated head, which makes a very handsome walking stick, finished in black enamel, imitating ebony.

No. 250, Wooden Head, per dozen \$2.50.
No. 251, Silver-Plated Head, " " 3.00.

Parties ordering a single dozen or two will be charged 10 cents extra for packing, as they will have to be shipped in a wooden case.
